

Saxon Novices Foil Competition

Congratulations to Fenella Nicholas on winning the Saxon Novices Foil competition.

Fenella, competing in her first individual competition, fenced with great determination to win all her fights in the women's category. The deciding fight was against a Saxon Club member who had the full support of the local audience but this did not distract Fenella who went on to win 15-11 and the gold medal in some style.

Fenella followed in the footsteps of club member Monica Costa who won the event last year.

What a great start, Fenella!
